PWCC Consignment Rates

Last edited: 4/1/2016

All consigned items are charged an individual consignment rate consistent with that single item's category and value. Items which require more labor to list at auction (i.e. Multi-Item Group Lots and Memorabilia) are charged higher consignment rates than Individual Graded Cards.

The rates outlined to the right include all fees associated with the auction process (eBay, PayPal, shipping, etc.). As such, the consignor will receive an amount exactly equal to the auction's closing price, less the stated fee.

Notes:

1. All items should be shipped to PWCC free of stickers, sleeves, and team bags. This is to ensure that items are processed efficiently and listed on schedule.
2. All group lots must be cleared with the auction house prior to shipping. Please send an email to brent@pwccauctions.com to get approval and to obtain preparation instructions.
3. Group lots and other items that require additional preparation by PWCC staff may be subjected to a \$50/hr fee.

¹Raw cards include those items graded by companies other than PSA, SGC, BVG, BGS, or GAI. KSA, BCCG, etc are treated as Individual Ungraded Cards.

²Unopened wax must be authenticated by a reputable 3rd party or factory sealed by the manufacturer. Note: PWCC has preferential pricing and handling times aligned with BBCE. Please ask us for assistance.

³All Multi-Item Group Lots & Memorabilia must be approved by PWCC prior to shipment. Please send an email to brent@pwccauctions.com to get approval as well as to obtain preparation instructions that will ensure items are received in a condition suitable for auction.

⁴Memorabilia and misc signed items must be authenticated by a reputable 3rd party such as PSA/DNA, JSA, UDA, Steiner, or similar.
